

# M6 Stage 1

## Site establishment and investigations at 7-Eleven, 736 Princes Highway from Monday 6 July

July 2020

The M6 Stage 1 will connect President Avenue at Kogarah to the M8 at Arncliffe, connecting southern Sydney to the wider motorways network.

**From Monday 6 July we will be installing fencing and carrying out investigations at the 7-Eleven site so that we can get the site ready for construction of the M6 Stage 1 next year. We expect to start using the site from mid-2021 to support the upgrade of the President Avenue and Princes Highway upgrade.**

Our work area is shown on the map on this page.

We will continue to keep you updated as we progress our work at the site.

### What does our work involve?

Our work involves installing fencing and signage around the site.

We are also investigating the site, drilling to take ground samples and locate underground fuel tanks and other equipment.

We will use light vehicles, scanning equipment, hand tools and a forklift to complete this work.

### Our work schedule

Our work will take up to six weeks to complete, weather permitting.

Our work hours will be:

**Day work: 7am to 6pm, Monday to Friday  
8am to 1pm, Saturday**

### How will our work affect you?

Our investigation work is not expected to be noisy. For the safety of our workers and the community, we may need to install temporary exclusion zones but pedestrian access and access to properties will be maintained at all times.

Location of work

### Contact our team

Thank you for your patience while we complete this important work. Please contact us if you have more questions.
